**CONTEXT – Promoting Inclusive Education through accessible learning materials**

Under the framework of the Accessible Digital Textbooks project funded by the **UN Partnership on the Rights of Persons with Disabilities (UNPRPD)**, the UNESCO Regional Office for Eastern Africa with partners, particularly the ministries of Education, is supporting training of teachers on the use of Assistive Technologies and Interactive Digital Textbooks in teaching and adapting content to improve learning outcomes in Kenya, Rwanda and Uganda. The trainings which will be conducted by the Global E-Schools and Communities Initiative (GESCI) are expected to take place on **4th – 8th October 2021**.

Journalists are invited to cover the training which will include an opening ceremony to be held on Monday from **10:30am – 12pm Rwanda Time**.

The Following key note speakers are expected to attend the opening ceremony.
• Head of Department of ICT in Education Rwanda Basic Education Board, Dr. Niyizamwiyitira Christine
• Principal – College of Education, University of Rwanda.
• Secretary General, Rwanda National Commission for UNESCO, Mr. Albert Mutesa
• Chief of Education Section, UNESCO Nairobi, Dr. Saido Jallow

The overall objective of this training is to ensure teaching and learning for learners with disabilities is made more inclusive and accommodating, in line with the United Nations Convention on the Rights of Persons with Disabilities (2006) and Sustainable Development Goal 4 which aims to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

Two training events have been planned for Special Needs Teachers drawn from all the 30 districts in Rwanda.

1. Training on Assistive Technologies to ensure inclusive education and access to information for Persons with Disabilities; and
2. Training on the use of interactive Accessible Digital Textbooks in teaching and adapting content to improve learning outcomes.
